**Targus Launches its 4-in-1 Voice Recording Presenter with Laser Pointer**

*A New Device Designed to Bring Added Convenience and Functionality  
into the Boardroom and Classroom*

**Targus Asia Pacific Ltd., Hong Kong – July 25, 2007** - Targus® Inc., maker of the world's top-selling notebook computer cases and accessories, announced today the launch of its new patent-pending 4-in-1 Voice Recording Wireless Presenter. Four individual functions are incorporated into one small and convenient form factor.

Combining the functions of a wireless PowerPoint™ presenter, a voice recorder, a laser pointer and an SD memory card reader, the new device includes all the features needed for an easy boardroom or classroom presentation. “The new Targus Voice Recording Presenter was designed to help reduce the amount of equipment required when presenting,” said Peter Rossdeutscher, President, Targus Asia-Pacific Ltd. “Research indicated that mobile users no longer wish to carry numerous devices. Instead, they are looking for a compact and all-in-one solution, this product fits that need perfectly” added Mr Rossdeutscher.

**Product Features**

**4-in-1 Product** – Functions as a wireless PowerPoint presenter, laser pointer, integrated voice recorder, and SD memory card reader.

**Voice Recorder** – Allows the user to record presentations, meetings or notes and saves to a SD card in .wav format; 1 MB is equal to four minutes of voice recording (SD card not included).

**Convenience** – Presentations, photos, and music files can be stored and transferred from an SD to and from a notebook using included USB cable.

**Wireless Capability** – 2.4 GHz wireless technology provides up to a 50-foot working range for full control of the presentation from anywhere in a room.

**Functionality** – Vertical scroll wheel provides easy navigation through presentation and documents. Other buttons include: next/previous page, dark screen/resume, application switch, slideshow/ESC and volume control.

Targus' Voice Recording Presenter with Laser Pointer (part number: AMP05AP) has a Manufacturer's Suggested Retail Price (MSRP) of \$59.99 and includes a limited three-year warranty.
